FOR IMMEDIATE RELEASE

### **Announcement: Intertech Security Group, LLC merges with Fedora Security Group, Inc. *December 2020***

WEXFORD, Pa. (June 1, 2021) -- Intertech Security Group, LLC, and Fedora Security Group, Inc. will now conduct business under the new name, Fedora Intertech, and will be headquartered in Pittsburgh, PA.

The two companies plan to combine Fedora's Security's innovative security technologies and Intertech's expertise in systems integration to deliver comprehensive solutions that connect, protect and communicate. The company has significant presence in the following markets: corporate, energy, education, healthcare, government, retail, residential, and pharmaceutical.

Strategic Advisors served as the exclusive investment bank to the members of Intertech. Intertech is headquartered in Pittsburgh and is a leading Systems Integration expert and security solutions provider. Intertech has a very strong presence in the Pittsburgh region, with service locations in Johnstown, PA, Akron, OH, and Frederick, MD. In addition, the company maintains offices in the high growth markets of Naples, FL and San Antonio and Houston, TX.

The company's solutions operate across many industries where the company designs customized turn-key solutions to match an organizations complex needs. The solutions typically include integrated access control (visitor management), intrusion detection, fire alarms, intercoms, X-ray equipment, emergency call stations, video surveillance, entry gates and command centers.
